

Dragon Decommissioning-Cymru Health, Safety, & Environmental Policy

POLICY STATEMENT

We are committed to conduct our operations in such a way as to ensure no harm to people and to minimise any impact on the environment. We are fully committed to continuously improving our health, safety, and environmental performance through the successful implementation of this policy.

We will:

- Recognise and respond to employee concerns and that of the community regarding the health, safety, and environmental aspects of our activities.
- Ensure compliance with all applicable legislation and industry standards.
- Create a safe and healthy working environment for our employees, contractors and other persons associated with our activities.
- Identify, evaluate and mitigate all risks associated with our activities,
- Ensure that all personnel employed by the company are competent to perform the tasks associated with their role.
- Strive to continually improve our business processes through the implementation of our core Values and Behaviours, these are Honesty, Trust and Respect.

We will ensure that necessary resources are provided to fully support this Policy. The policy will be subject to audit and annual review as part of our Management System , this will drive continuous improvement.

Our aim is to demonstrate our commitment to Health, Safety, and the Environment through the delivery of this policy. In doing so we will earn the confidence of our staff, customers and society contributing positively to the socio-economic development of Wales
